Easter Reflection....

Wherever we share compassion, justice, reconciliation, faith, and encourage each other to be people of hope, we are people of the resurrection and ministers of the resurrection.

Jesus is raised from death each time we live his way of life.

We do this in our various ways of showing care and concern for the lives and troubles of others.

Easter prayer can be an asking in prayer to be ministers of the resurrection, as we discern how best to serve the risen Lord.

During this Jubilee Year let us be Easter Pilgrims of Hope!

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Middle East conflict, and for all those affected in any way by war in our world that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.
