Back to School.....

Loving God, thank you for the joys that Summer brought to us. You have blessed us with time to spend with family and friends, rest and relaxation, and a break from school work. As we return to our studies, inspire us to take on a new interest in new classes and new topics. Be with us as we discover old friendships and start new ones. We ask your blessing on all in our school community. May we all work together to keep each other safe and protected. May this coming school year be a time when we are open to the workings of your Holy Spirit so that we can discover the richness of your presence in each other and in all we undertake.

We ask this through Christ Our Teacher and Lord. Amen.

The cost of discipleship...

Today's gospel has some difficult challenges. Does Jesus really expect us to hate our families, friends and even ourselves in order to be his followers?

The call to "hate" is not to be taken literally, but is a call for us to break free from any habit or relationship that is holding us back.

Prayer for the People of Ukraine

Loving God, We pray for the people of Ukraine, for all those suffering or afraid that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people of Ukraine and for all the world.
Amen.

The Season of Creation (1 September-4 October)

"The ecological crisis is also a summons to profound interior conversion.....whereby the effects of our encounter with Jesus Christ becomes evident in our relationship with the world around us. Living our vocation to be protectors of God's handiwork is essential to a life of virtue; it is not an optional or a secondary aspect of our Christian experience."

- Pope Francis - "Laudato Si"
