### Reflection....

*In the feast of the Trinity we celebrate God's* abiding love and relationship with us as Father, Son and Holy Spirit.

Loving God, we thank you for the relationships that feed grace into our lives, the people we can rely on implicitly, who love us and cheer us on. May we return love for love and cherish those very special close relationships.

Loving God, we pray for those who are struggling with relationships. May your healing Spirit be with them.

We pray for those who are bereaved and have lost a dear person from their circle of life. Gracious and loving God, you know our losses. Our memories both bless and burn, as we think of what was, what might have been and what will never be again. Teach us to be grateful for the time, friendship and support of those who have now departed but who accompanied us on our own journey. Grant to our departed rest from their labours in your eternal home.

Reassure us of your constant love as you comfort us in our moments of sorrow and strengthen us for the journey ahead. In the name of the Father, the Son and the Holy Spirit. Amen

## Prayer for Peace in our World

Loving God. We pray for the people of Ukraine, those caught up in the Israeli-Hamas conflict, and for all those affected in any way by war in our world that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.
