### Kilkee Parish Grounds—Biodiversity Plan

In conjunction with Kilkee Tidy Towns a Pollination Plan regarding Biodiversity was completed in conjunction with Clare Co. Council at the end of April for both Kilkee Church grounds and the Priest's Cemetery located on Chapel St.

- A Pollination-Friendly zone meadow has been created at the Dough side of the Church with a grass cutting plan in place.
  - The Priests' Cemetery Biodiversity plan is been undertaken in conjunction with the senior students at Scoil Réalt na Mara.
- We welcome this development and express our gratitude to all who are assisting to enhance our environment in this way.
- "God has written a precious book, whose letters are the multitude of created things. From panoramic vistas to the tiniest living form, nature is a constant source of wonder and awe....there is a divine manifestation in the blaze of the sun and the fall of night."* Laudato Si—Pope Francis.
