REFLECTION.....

Ever-generous God, we thank you for the means we have to get by, the money that keeps the wolf from the door and provides us with good things. Thank you for the way that money keeps the world moving.

Keep us, though, from greed, for when wealth becomes our goal it also becomes our god and it doesn't bring happiness. Keep us also from compromising with corruption in any form, even when we're told 'everyone does it'.

It often seems that there is nothing money can't buy. But we know there is. Money can't buy courage, joy, forgiveness, faith that moves mountains, love that will not let us go. Thank you for the money we have. May we not envy what we don't have. Give us contentment for :

*All things come from you,
and of your own do we give you.*

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Israeli-Hamas conflict, and for all those affected in any way by war in our world that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.
