Kingdom- Building

Perhaps it helps to see that work can also be understood as prayer. The monastic tag was *labore est orare*—to work is to pray. As we work constructively and conscientiously we are making another tiny contribution to building the kingdom of God, the flourishing of all things. This may be more obvious when we are engaged in some overt action for social justice or the transformation of that bit of creation in which we are set, but all work done in harmony with God's good purposes for the world can be seen as an offering to God. And that is what prayer is—offering ourselves, others and the world to God.

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Middle East conflict, and for all those affected in any way by war in our world that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices. We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.
