BAPTISM

Baptism was not over and done with the day we were taken to the font.

We are baptised by all that happens to us in life. We are baptised by hardship; in its turbulent waters we are purified of all that is false and useless.

We are baptised by suffering; in its murky waters we grow in humility and compassion.

We are baptised by joy; it its gurgling waters we experience the goodness of life.

We are baptised by love; it its singing waters we blossom like flowers in the sun.

Baptism is like the planting of a seed. it will take a lifetime for this seed to grow and ripen.

Prayer for Peace in our World

Loving God, We pray for the people of Ukraine, those caught up in the Middle East conflict, and for all those affected in any way by war in our world that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people who are suffering and for all the world. Amen.

"May the grace of the Jubilee reawaken in us, Pilgrims of Hope, a yearning for the treasures of heaven.

May that same grace spread the joy and peace of our Redeemer throughout the earth.

To you our God, eternally blessed, be glory and praise for ever. Amen"

A Thought...

"When I look into the well of my life, I am happy with the decisions I made. In the middle of all the ups and downs, twists and turns, I am happy that there was a constant search in me for God.

And God gives all of what we need, in whatever measure we need. When I take time to question, it all makes sense to me. Things fit. "

- Phyllis Kilcoyne
